Some people who received this message don't often get email from Cjump@clcma.org. [Learn why this is important](#)

Counsel:

As you know, we have an upcoming response date on behalf of AMP (as the registered d/b/a of AJP) in this litigation. Since AMP was served May 6 and the 21 days expires on Memorial Day, AMP's current response deadline is May 28,

2024. To allow for us to properly associate with local counsel and in light of the volume of allegations contained within the Complaint, we will seek an extension of 45 days. Please advise at your earliest convenience if you are amenable to that by agreement.

Thank you.

Counsel:

AJP, with its d/b/a of AMP, is not the “parent organization” of NSJP.

Despite your pleadings and media tours to the contrary, zero corporate relationship exists between the two.

I do not represent NSJP, never have (though I have represented AMP/AJP for over seven years), and no, neither I nor anyone else at our organization will accept service for NSJP.

I honestly have no idea who a contact point is for NSJP, or where – but you wrongly list AMP/AJP’s address – NSJP has no operations or representatives at AMP’s location.

Their website lists no names, and I do not have any interactions with any representatives for them.

Dear Ms. Jump:

We represent the plaintiffs in *Parizer, et. al. v. AJP Educational Foundation, Inc. a/k/a American Muslims for Palestine and National Students for Justice in Palestine (NSJP)* (24-cv-724), filed last week in the Eastern District of Virginia. We understand that you currently represent AJP.

Earlier today, the Executive Director of AJP accepted service on behalf of AJP but declined to accept on behalf of NSJP. Given AJP's role as the parent organization of NSJP, we would like to know if you are able to accept service on behalf of NSJP. If not, we ask that you provide us with an appropriate contact to effectuate service on NSJP. Thank you very much.

Sincerely,

Jonathan Fahey
